Mentorship Programme

D Y PATIL GROUP

D Y PATIL DENTAL SCHOOL

Affiliated to the Maharashtra University of Health Sciences, Nashik
Recognized by Dental Council of India

Standard Operating Procedures (SOPs) Mentoring of Students

Objectives of the Mentoring Program

- To focus and motivate students to achieve learning goals and thereby improve their academic performance.
- To generate interest in academic & Institutional activities among the students.
- To provide institutional information to students.

Step 1: Allocation of mentees to faculty members (Mentors)

- Soon after the admission, on Induction day, students shall be assigned to all the faculty members as their mentees as per the mentorship distribution.
- Faculty/ Teachers will be referred as **Mentors** and the students will be referred as **Mentee** in this system.

Mentoring –SOP

1. The Mentor and Mentee have to follow the Mentoring agenda.
2. The Mentoring relationship is confidential, and it is a relationship built upon trust and mutual respect
3. The Mentor empowers the Mentee to take responsibility for their own learning & career development.
4. Keep relationship professional.

Schedule of Mentor – Mentee Meeting:

1. On the Induction day, the first meeting between Mentor and Mentee would be conducted during which Mentor and Mentee Know each other. Student's personal data, Hobbies and Academic details will be discussed and noted.
2. Then after every month the mentor and mentee meeting would be conducted during which academic, financial, or any other personal issues if mentee is facing would be discussed and the details of every meeting would be recorded in the mentorship booklet.
3. For any administrative problems faced by the mentee, it will be referred to administrative office.
4. Create WhatsApp Group for mentoring if required

D Y PATIL GROUP

D Y PATIL DENTAL SCHOOL

Affiliated to the Maharashtra University of Health Sciences, Nashik
Recognized by Dental Council of India

Mentor- Mentee Meetings:

1. The task is round the clock, still all Mentors are required to conduct a formal meeting with the assigned Mentee minimum 8 times every year for record purposes. It may be online or offline as per the convenience of both.
2. The mentor should make mentee calm and comfortable to speak about any issues he/she is facing.
3. The main agenda of the program is to facilitate the academic and personal growth of the mentee. So the mentor mentee meeting would focus on discussing, if any issues the mentee is facing regarding academics (any particular subject), or on personal level.
4. A record of the mentor- mentee meeting should be maintained in prescribed format.
5. The details of the meeting should be recorded and be made available to the Principal, if desired so at any moment of time.
6. It is desired that the Mentees be given confidence to raise an issue to respective Mentor. All Mentor are required to listen to the query and put some personal efforts to try and solve it as far as possible. The efforts should also be informed to the concerned Mentee. One should try and pacify the concerned Mentee to control their emotion then and there itself or as the time required.
7. In case, addressing the issue raised is beyond the scope of a Mentor/ concerned In charge etc. then the Mentees should be counselled to understand the administrative limitations.
8. Mentors may contact the in charge personally to know their opinion about the concern raised to deal the issue efficiently.
9. They may also plan some informal interactions with the Mentees.

Composition of Mentorship Committee:

- **Convenor** - Dr Anand Shigli, Dean, DYPDS - 8007705050
- **Member Secretary** - Dr Swati Joshi – 9623446287
- **Co-Ordinators (Year Wise)**
 - 1st Year - Dr Chhaya Jawalikar 9384725511
 - 2nd Year – Dr Swati Joshi 9623446287; Dr Pradnya Rotithor 9822482272

INSTITUTIONAL INNOVATION COMMITTEE (IIC)

STANDARD OPERATING PROTOCOL (SOP)

I. Introduction

The college will strive hard to develop a research culture and develop an incubation centre in the college. The college realizes the importance of reaching to the society and helps the varied section. To achieve the motto and develop a sense of social responsibility, the college will systematize the activities and will motivate the staff and students to actively participate in the social extension activities. The college will take due efforts to develop collaborations with institutions and organizations around.

II. Purpose

To motivate the staff members to apply for government and non-government grants including private agencies to help them enrich their personal research profile and in turn the college profile.

To create an ecosystem for innovation including the incubation centre and other initiatives for the creation and transfer of knowledge by conduction of activities like workshops/conference, discussion with expertise etc. on the related topics.

Motivate the staff to publish their research in-journals (international and National), in conferences- organized by the college and other colleges and institutions (international and National), and to publish books- reference and text books at national and international level. Motivate staff members to file their research work for patents and acquire the same.

III. Establishment of Scientific Research Committee

The IQAC will establish the scientific research committee to inculcate and enhance the research culture in the college. The scientific research committee will comprise of the external experts and in-house experts in the college.

IV. Policy Regarding Research Activities

The college will motivate the staff to undertake research activities at varied levels and will also provide resource mobilization sources to the staff.

The scientific research committee will motivate the staff to apply for grants announced by the government under DBT, DST etc. The committee will provide

D Y PATIL DENTAL SCHOOL

Affiliated to the Maharashtra University of Health Sciences, Nashik
Recognized by Dental Council of India

information regarding announcements of grants by UGC for research purposes like major research projects; minor research projects etc. and motivate the staff to apply for the same. The affiliating university provides grants to conduct minor research projects. College will motivate the staff to apply for the same.

For research grants, College Will Provide The Following Facilities:

1. Duty leave or facility of half day leave for the teacher conducting research.
2. Quick reimbursement to research funds to the concerned teachers.
3. Facility of auditing the funds to the staff before submission.
4. Infrastructural facilities like access to books and reference books, digital library, laboratory instruments and lab materials, computer and computer related software and any other help required by the staff.
5. The college will help the staff if they need the access to central university facilities like laboratory, library etc.
6. College will motivate the staff and create a research oriented atmosphere so that
7. One of the aims of the college is to plan for the establishment of research centres. The college will motivate the staff to complete all the compliances to establish research centre/sin the college.

The Functions Of The Committee:

- Conducts Workshops / conference / seminars on Intellectual Property Rights and Industry-Academic Innovations And Practices.
- To help the students to solve some of the problems associated with running a start-up.
- To apply for various funding agencies to establish research facilities in the college.
- To conduct activities in the college related to entrepreneurship skills start- up.
- To participate in the activities initiated by the affiliating university and activities initiated by the government.

V. Conduction of Workshops/Conference/Seminars on research related topics

The college will conduct Workshops/conference/seminars on research related topics like

- Research Methodology
- Industry academic relations
- Innovations and innovative practices

D Y PATIL GROUP

D Y PATIL DENTAL SCHOOL

Affiliated to the Maharashtra University of Health Sciences, Nashik
Recognized by Dental Council of India

- Entrepreneurship
- Start-up industries and facilities for start-up

The workshop will be conducted at International/National/college level.

The IQAC will plan the seminars and conferences related to the topics and will organize them either independently or in collaboration with the departments.

The cell will also take their view from the academic research coordinator regarding the research progress in college.

VI. Impetus to Research Publications And Awards

The college will focus on creating a research culture among the staff and students. For this the research advisory committee will meet at-least twice a year and plan for the same.

Increasing the contribution of the teachers in research publications will be one of the important aims of the IQAC and research committee.

The teachers will be provided with all the facilities like laboratory, library, duty leave etc for the same.

The teachers who will be publishing their research in renowned journal like SCOPUS indexed journals/web of science and other international indexed journals will be recognized by the college. Teachers will be motivated to follow the ethics in publishing research papers and books.

The teachers will also be motivated to publish their research work in journals recognized by the UGC. The teachers will be provided with the due information regarding the same.

The teachers will be motivated to participate in international conferences organized by the institutions and organizations outside the country and within the country.

Financial help, duty leave etc will be provided to the teachers participating and presenting their papers in any of the sources.

D Y PATIL DENTAL SCHOOL

Affiliated to the Maharashtra University of Health Sciences, Nashik
Recognized by Dental Council of India

The college will recognize the teachers getting awards and recognition during the presentation of their research work.

The teachers and students will be motivated to file their research work for patenting and or copy rights. The college will provide all the infrastructural and other support to the teachers.

VII. Collaborative Activities in College

The research committee and IQAC will monitor the collaborations of the college and departments with external agencies and institutions. The Collaboration will be for the following purposes

- For conducting value added courses, the college will collaborate with specialized institutions in and around the college vicinity.
- For conducting activities like faculty exchange programs, student exchange, internship, on the job training, research etc., college will collaborate with nearby universities, colleges, institutions, service industries etc.
- For conducting extension Activities College will collaborate with private societies, non-government organizations, clubs etc.
- For the benefit of the students in co-curricular activities or academic or research activities, college will plan for the linkages.

The college will plan these collaborative activities in such a way that regular academic or support schedules of the college are not hampered.
