Report: Seminar of Ifs and Buts of Plagiarism

Date: 10/8/23

Name of Venue/ Place: Lecture Hall 4 DYPDS

Speaker: Dr Divya Dudulwar.

No Of Students Participated: 33

Activities Done: Seminar of Ifs and Buts of Plagiarism

Summary: Seminar of Ifs and Buts of Plagiarism

Speaker was introduced by the in charge of scientific committee and guest was welcomed with a bouquet by respected Dean sir.

Dr Divya Dudulwar spelt plagiarism as using someone else's work without prior permission or acknowledgement. She explained academic penalties and legal consequences if one fails to follow the rule of law. She highlighted steps taken by institutional resources like online tools to assist students to avoid plagiarism.

It was followed by an interactive Q&A session, where interns got a chance to clear their doubts about ethical considerations. The workshop served as a basic step in equipping interns with knowledge needed to avoid plagiarism.

The workshop was concluded with vote of thanks by Dr Paulami.

Date: 31/05/2023.

Name of Venue / Place: Lecture Hall 1 DYPDS

Speaker: Dr Arpan Shah.

No Of Students Participated: 49

Activities Done: Workshop On Randomized clinical Trials: Basics

Summary: Workshop On Randomized clinical Trials: Basics

The speaker was introduced by the in charge of scientific committee and guest was welcomed with a bouquet by respected Dean sir.

Dr Arpan Shah focussed on providing interns with details of design, implementation and ethical considerations of clinical trials in biomedical research. He narrated the phases of clinical trials- phase I,II,III and IV along with their objectives. He explained the ethical principles like rights and safety of participants.

It was followed by an interactive Q & A session, where interns flooded their questions on guidelines governing clinical trials to clear their doubts and upgrade to new information.

The workshop was concluded with vote of thanks given by Dr Parag.

Report: Workshop on How to Write a Research Paper.

Date: 1/09/2022.

Name of Venue / Place: Lecture Hall 4 DYPDS.

Speaker: Dr Pradnya Rotithor.

No Of Students Participated: 37

Activities Done: Workshop on How to Write a Research Paper.

Summary: Workshop on How to Write a Research Paper.

The speaker was introduced by faculty in charge of scientific committee

Dr Pradnya Rotithor presented an excellent insight into critical issues surrounding the collection, storage and further utilization of the biological specimen for research purpose. The workshop emphasized the importance of strict quality control to ensure sample integrity.

It was followed by an interactive Q & A session, where interns got a chance to clear their doubts on pivotal role of bio banking in advancing research and upgrade to new knowledge.

The workshop was concluded with a thanking note from our respected HOD.

Dr

Research cell co-ordinator

Head

Periodontology and Oral Implantology.

Name of Venue / Place: Lecture Hall 4 DYPDS.

Speaker: Dr Pandurang Rotithor.

No Of Students Participated: 39

Activities Done: Workshop on Basic Considerations of Informed Consent.

Summary: Workshop on Basic Considerations of Informed Consent.

The speaker was introduced by the in charge of scientific committee and the guests were welcomed with a bouquet by our respective Dean sir.

Dr Pandurang Rotithor defined consent as a voluntary agreement between all participants to engage in specific activities, with special emphasis that consent must be ongoing and can be withdrawn at anytime. He explained difference between types of explicit, implicit and informed consents.

It was followed by an interactive Q & A session, where interns learnt that consent prevents coercion manipulation and abuse and prevents positive communication.

The workshop was concluded with vote of thanks given by Dr Pratik.

Report: Workshop on Understanding Plagiarism.

Date: 14/03/2022

Name of Venue/ Place: Lecture Hall 4 DYPDS.

Speaker: Dr Divya Dudulwar

No Of Students Participated: 43

Activities Done: Workshop on Understanding Plagiarism.

Summary: The session was attended by interns. Workshop on Understanding Plagiarism

Speaker was introduced by the in charge of scientific committee and guest was welcomed with a bouquet by respected Dean sir.

Dr Divya Dudulwar spelt plagiarism as using someone else's work without prior permission or acknowledgement. She explained academic penalties and legal consequences if one fails to follow the rule of law. She highlighted the need to use plagiarism detection tools to check one's work before submission.

It was followed by an interactive Q&A session, where interns were reminded of importance of academic integrity and their role in upholding it. The workshop served as a basic step in equipping interns with knowledge and tools needed to avoid plagiarism.

The workshop was concluded with vote of thanks given by Dr Kapil.

Activities Done: Workshop On Registration Of Copyright

Summary: Workshop On Registration Of Copyright

The speaker was introduced by the Dean and the guests were welcomed with a bouquet by our respective Dean.

Dr Anita Barde educated the participants on definition of copyright and fundamentals of copyright law. She explained the duration of copyright protection granted to creator and presented an excellent insight into digital age challenges with DRM-digital right management.

It was followed by an interactive discussion session, where interns learnt how to draft effective copyright notices and got a chance to clear their doubts.

The workshop was concluded with vote of thanks given by Dr Vinod.

Report: Workshop on Bio Banking: The New Arena of Research

Date: 3/08/2021.

Name of Venue / Place: Lecture Hall 4 DYPDS.

Speaker: Dr Pradnya Rotithor.

No Of Students Participated: 46

Activities Done: Workshop on Bio Banking: The New Arena of Research

Summary: Workshop on Bio Banking: The New Arena of Research

The speaker was introduced by the in charge of scientific committee and the guest were welcomed with a bouquet by the Dean.

Dr Pradnya Rotithor presented an excellent insight into the need for updated policies to address emerging challenges on genomic data protection and equitable access to bio bank resources. Potential of bio banking in advancing precise medication, biomarkers discovery in paving the way for interdisciplinary collaboration was discussed.

It was followed by an interactive Q & A session, where interns got a chance to clear their doubts on impact of bio banks on research and healthcare.

The workshop was concluded with vote of thanks given by Dr Karibasappa.

Activities Done: Workshop on Research Methodology.

Summary: Workshop on Research Methodology.

The speaker was introduced by the Scientific cell committee and the guests were welcomed with a bouquet by the team.

Dr Karibasappa G.N equipped the audience with essential skills for conducting effective research across various disciplines. He explained different types of research –qualitative, quantitative and mixed methods. He stressed upon selection of appropriate research methods and tools. He referred to primary and secondary data collection techniques.

It was followed by an interactive Q & A session, where interns learnt about software tools for data analysis in research.

The workshop was concluded with vote of thanks given by Dr Vinod.
