Herbal garden visit report

Development of herbal garden has been a vision and need of D Y Patil Dental School. This is to provide information about the use of various herbs and plants to our students for any research or for clinical use.

A visit to the herbal garden was organized on 15th February 2022 for 2nd year BDS students. 25 students attended the visit along with a few staff members.

A second visit was organized on 17th February 2022 in which 25 students from 2nd year BDS attended.

The students were taught to identify the herbs and made to understand their use and benefits. They were told about their use in making medicines as well as use in treatment of some dental conditions.

There was a question and answer session at the end of the visit during which the students showed lots of enthusiasm in asking about use of the herbs in treatment of oral diseases.

Herbal garden visit report

An innovative initiative was taken up by D Y Patil Dental School regarding setting up of herbal garden.

Due to the encouraging response from the students last year, the herbal garden visit was planned again this year on 15th March 2023 for 2nd year BDS students. A total of 30 students attended this session

A second visit was attended by 35 students on 17th March 2023

The intention has been to make the students aware about the benefits and use of herbs in medicine and especially in dental care. Just like last year a few faculty members from the college also participated in this visit.

The students actively participated in this visit with lots of interesting questions.

This endeavor would help students to work in the field of research on the use of herbs and plants in the treatment of many oral diseases.
