#### Report-1st BDS Orientation Program

The orientation program was conducted on 23/01/2023 with the objective to orient the incoming undergraduates to the institute, appraise them regarding rules and regulations of the institute, professional ethics and course curriculum, etc.

Orientation began with a video representation showcasing the entire college and hospital followed by a presentation by Dr. Paulami Baghchi, who provided the details of year wise subjects, fee structure, various educational as well as extracurricular activities conducted in the college, anti-ragging committee, hostel facility, library, infrastructure; examination patterns, prospects after BDS, rules and regulations of the institution and professional ethics. Students were also updated regarding vaccination facility.

The students were also addressed by the Dean of the Institution Dr Anand Shigli. He congratulated students for seeking admission in one of the most reputed colleges. He instructed students to be disciplined and abide by the rules and regulations of institute. Students were thereafter welcomed with the flowers and each student was given a college handbook and an anti-ragging affidavit to be signed. After this, the students were made to take an 'Hippocrates oath' which emphasizes on the Code of Ethics and Conduct which is to be honoured as they enter into dental profession. The students were then taken for the College visit along with faculty coordinators they visited different departments where they were explained what kind of treatments are provided. After completion of administrative formalities, those students who wanted hostel were allotted rooms.

REPORT 2ND BDS ORIENTATION PROGRAMME

Orientation for 2<sup>nd</sup> year students aimed to orient students towards clinicals. White coat ceremony was organised on 24/04/2023 for the students. The students were made to take an "Hippocrates oath" which emphasizes on the Code of Ethics and Conduct which is to be honoured as they enter into clinicals.

It began with their introduction and attendance. Presentation by Dr. Swati Joshi included details about 3rd year subjects. They were detailed about their postings in various clinical departments and for medicine & surgery in patient wards of affiliated hospital.

To shade some light on clinicals and to make students prepared for clinics a series of lectures were conducted. Dr. Bipin Muley took lecture on Infection Control through which he emphasized on sterilization protocol and importance of PPE both for patients & doctor. Dr. Pratik Hande discussed about biomedical disposal. He guided students about disposal of which type of waste to be disposed in which type of colour coded buckets. Dr. Karibasappa talked about professional Ethics to be followed in clinics. Dr. Prakash updated about the community services like dental camps in rural areas and schools. Dr. Vinod Kambli explained the importance of Ergonomics while working on patients i.e correct posture to prevent future musculoskeletal diseases. Following lectures, students were introduced to their subject teachers. Lastly interactive discussion occurred between teachers and students. In the afternoon session, students had a visit to various clinical departments where they were demonstrated sterilization procedure as well as clinical steps.
